PARKING HINTS:

For all locations: DO NOT leave anything valuable in your car!!!

For downtown venues (Freight, Civic Center Park, Jupiter): Metered street parking until 6pm (enforced right up to 6pm). Paid parking available in Center St Garage (enter from Addison, next to Freight) & Allston Way Garage (enter from Center) - You can also find free on-street parking (2 hour limit Monday-Friday until 6pm) in residential areas below Martin Luther King and north of University.

Additional parking and transportation advice at <http://www.freightandsalvage.org/directions> and <http://www.berkeleyrep.org/planyourvisit/index.asp>

At Ashkenaz: free parking across the street in the REI lot

At Marxist library: on street parking

At UC Berkeley: parking very very difficult to find - look for on-street parking, or try one of the garages, or park in residential areas (south of Dwight) and have a pleasant short walk. Note: residential areas near UC all have 2 hour parking restriction on weekdays, which should be sufficient for attending the panel discussion.
