Great and breaking news!! There *\*will\** be a CBA Golden Old-Time Campout in 2022 at a new location (since Lake Sonoma is not available).

Western Railway Museum, 5848 Highway 12, Suisun City, CA 94595. (east of Fairfield)

Tent camping will be in a flat grassy expanse with trees, RVs welcome in an adjacent flat gravel area. Museum entry and tours are included in the camping fee. Train rides are available on Thursday, Saturday and Sunday!

For CBA members, tickets are \$20 per person per night or \$50 per person for all 3 nights. For non-CBA members, it is \$25 per person per night. Youths 21 and under are \$10 per night, and kids under 12 are free. No pets are allowed.

Here is the museum's site with some maps.

<https://www.wrm.org/visit/museum-site-map>

(BTW, I highly recommend a visit to the museum.

Make sure you save some time to take a ride on a historic interurban street car on tracks

that remain from the old Sacramento Northern Railway that ran from Oakland to Chico.

see this recent article:

=====

Key to the calendar section:

I have tried (though not 100% successfully) to standardize the status of an event by the way the date is listed:

\* If you see a date for 2022, that event has been scheduled for this year (at least according to its website), and I indicate "online" for those such events.

\* If you see a month without a year, I found no definitive information on the website, but I would suggest you assume that the event is canceled for this year unless you find out otherwise.
