GENERAL INFO:
=====

To keep up with old time happenings in the Bay Area, join the oldtimesf
groups.io group (formerly a Yahoo group):

Go to <https://groups.io/g/oldtimeSF/>

This calendar is also available at the BOTMC (Berkeley Old Time Music
Convention) website under the "Other Events" menu item.
<http://www.berkeleyoldtimemusic.org>

My monthly (more or less) calendar of Celtic (Irish, Scottish, Cape Breton, Quebecois, etc) music events in the SF Bay Area is posted to the CelticSF groups.io group, and can be found at:

<https://sites.google.com/site/davbrown2/celtic>

=====

Key to the calendar section:

* Online events follow the live events calendar.

* I am no longer using the convention of appending "2023" to the date to indicate events that are definitely happening. Instead, I have moved the events that have not resumed post-COVID (i.e. where I could not find any info whether they plan to return or not) to a new section "PENDING OR DEFUNCT".

* If you see a ? mark after <month><2024>, that indicates the event happened in 2023, so I expect it will return in 2024 but don't know the exact date, or 2023 was the inaugural event and I am not clear if they plan to return.
